

Christian Clubs in Schools - CNY

It's time to join hands and reach your student's school! Fellowship of Christian Athletes - FCA

Your student will grow in Christ surrounded by other believing friends as positive examples through the influence of sports in their schools and communities. FCA has student-led clubs typically right on the high school campus, monitored by a qualified coach or teacher. These clubs "or huddles" are joined by all students, **whether athletes or not**. We are seeing wonderful ministry doors opening for FCA, Young Life, & Youth Alive lately. The leaders of these ministries meet together regularly for united school strategies, along with Syracuse Area Youth Workers.

[What is FCA?](#) [Campus Clubs](#) [Athletes](#) [Upstate Staff & Board](#)

Youth pastors, pastors, and ministries will be sending this to students and parents now, so that by this coming fall, Christian students can already be up to speed, and with staff help, develop current and new FCA huddles and other clubs to build encouragement, love, and conversations of ways to serve their school and community.

You or your student can email the FCA Representative, Amanda Tewksbury and she will send you information. **Please indicate the high school you are associated with and the student's graduation year.** FCA, Young Life, and Youth Alive are also looking for interested coaches, teachers, board members, and volunteers.

FCA has a presence at: FM, Cazenovia, West Genesee, Nottingham, Chittenango, Lafayette, Tully, and South Jefferson. Many other city and suburban schools are in process, which Amanda can share with you. With your help, it is the hope that soon no school will be without an FCA, Young Life, and Youth Alive.

Students & Parents: Email Amanda at atewksbury@fca.org 315-236-5163 [See Bio](#) [Website](#)
