

Did You Know?

- ✓ College costs may be negotiable.
- ✓ Mistakes on the FAFSA can cost you thousands of dollars.
- ✓ College students graduate with an average of \$29,700 in loans.
- ✓ Even if you do not qualify for need-based financial aid, there are still many ways to reduce the cost of college.
- ✓ You don't have to let tuition costs determine the quality of your child's college education!

Career & Major Guidance

53% of grads are unemployed or in non-degree jobs and changed majors 3-4 times adding another year to college. Our proven process helps high school students aim towards fitting majors early—that lead to a viable career! Job interview/networking training for college grads included.

College Assistance Plus

Make Going to College Easy

Take the confusion, financial burden, and worry out of planning and financing your child's college education. College Assistance Plus is a highly-personalized, fee-based service that is designed to help parents and grandparents:

- 🏠 **Locate** colleges that match your student's criteria and your family's budget. We use a proprietary academic and financial database of over 2,500 colleges.
- 🏠 **Review** the FAFSA form for common mistakes and offer ideas to help you lower your EFC.
- 🏠 **Navigate** through the entire process, from college visits through graduation.
- 🏠 **Leverage** your child's achievements to obtain lower tuition costs at selected colleges.
- 🏠 **Maximize** your student's academic success while minimizing expense and college debt.

The college process can be confusing, stressful, and emotional for your family. Our experts get to know your family and develop a plan just for you. We'll compare colleges by analyzing data from previous financial aid packages, give you advice to help your student graduate in four years, and help you make the difficult decisions.

Get the best education for your kids.

We can help lower the cost.
